

# 5 years unleashing *black-heritage potential*

With Insight Education

"Mum, I don't think I can go to places like Oxford or Cambridge."

Our CEO was motivated by her daughter's words to increase black-heritage students' access to higher education and professional careers. Five years later, **With Insight Education** is still busting barriers.

## Our programmes

**1000+**  
Students mentored over the past five years

are nurturing

black excellence.

### Insight2Uni

Preparing Year 12s to make informed decisions and secure top university offers.

### Elevate

Developing Year 12 & 13 communication, interview, and professional skills.

### Foresight

Providing Year 9 & 10s confidence and knowledge to excel academically.

## Metrics that represent real lives

**81%**

8 out of 10 mentees feel more comfortable to go to top university.

- **87%** of mentees **secured offers** from top universities.
- **98%** reported growth in their **communication skills**.
- **93%** felt better prepared to handle **interviews**.
- **92%** improved their **understanding** of the world of work.

**100%**

of our mentors improved their employability skills

"Without my mentor I won't of gotten to where I am now. Doing UCAS and receiving offers".

**Anastasia, Insight2Uni Programme**

**Help empower more black-heritage talents.**

**Become a partner today.**
